

In the Drawings

Applicant attaches hereto substitute Sheet No. 8 of 14 of the drawings. Substitute sheet No. 8 of 14 of the drawings is amended to add arrowheads which were inadvertently omitted from Fig.24 of the drawings as originally filed.

REMARKS

This Preliminary Amendment is being submitted to indicate the relationship of the subject U.S. national application to previously filed applications as required under 37 C.F.R. 1.78.

Substitute sheet 8 of 14 of the drawings was originally submitted under Article 34 and attached to the Demand for Preliminary Examination (copy attached). However, the PCT Preliminary Examination Report failed to mention substitute sheet 8 of 18 and failed to attach substitute sheet 8 of 14 as an annex to the PCT International Preliminary Examination Report. Applicant, therefore, requests the entry of substitute sheet 8 of 14 with the national application.

The application is believed to be in condition for examination and allowance. Consideration of the claims, leading to their allowance and passage of the application to issuance, is respectfully requested.

Respectfully submitted,
